No Gary = No Treats

- 1) Convened circa 7:00 p.m. @ Town Office
- 2) Approved minutes of 11/06 with correction to money requested for the next year. The asked for PC amount was \$800. And an additional \$5000 was requested to cover possible matching grant money if PC goes for a Planning Grant, etc. So, total was \$5800. Also JVM spelt SHROD incorrectly. That was changed.
- 3) Budgeting for wordsmithing help in the reformatting of Zoning Regs to a consistent & comprehensible format.
- 4) Green Stormwater Infrastructure (GSI). Questions: Who oversees compliance? Where is model language? Has anyone adopted GSI standards into their Regs? JVM to follow up.
- 5) Who deals with unsafe tress in SHROD? Is this something that the Conservation Commission wants to chime in on?
- 6) Closed the meeting and fled the building circa 9:00 pm. Good night.
