

TOWN OF CALAIS, VERMONT

ORDINANCE TO REGULATE LIVESTOCK RUNNING AT LARGE

Adopted July 12, 2021

Amended May 8, 2023

1. Purpose and Authority

The Selectboard of the Town of Calais finds that livestock running at large cause damage to private property and present a significant danger to motorists and the general public traveling on Town and State highways. Livestock running at large may also transmit communicable diseases to livestock that is properly fenced and contained. Accordingly, the Calais Selectboard finds livestock running at large in the Town of Calais to be a public nuisance.

The Town of Calais further finds that livestock are more likely to repeatedly break out of confinement and run at large when not properly cared for and that provision of proper fencing, food, water, shelter and health care are an important component of keeping livestock from becoming a public nuisance.

The purpose of this ordinance is to abate and remove this public nuisance by establishing reasonable regulations for impoundment of livestock running at large; ensuring that livestock repeatedly found to be running at large are given proper fencing, food, water, shelter and health care; ensuring that livestock that may interact with other animals have been immunized against communicable diseases; providing for the welfare of the livestock during impoundment; and to thereby protect the health, safety, and welfare of the public and their animals. It is also the purpose of this ordinance to ensure that Calais residents can continue to enjoy the quiet of their homes and property. This ordinance is adopted by the Calais Selectboard under the authority of 24 V.S.A. Section 2291(14) and (15). This ordinance shall constitute a civil ordinance within the meaning of 24 V.S.A. Chapter 59.

If other violations occur during the five year period, the Selectboard may require the owner to periodically replenish the escrow account.
