Town Plan – Natural Resource Section

Mike came to the meeting looking to learn more about the Natural Resource section of the proposed Town Plan, where the process stands, and what our thoughts are.

Zoning Regulation Proposed Changes

Members discussed the Select Board's public hearing for the proposed Zoning Regulation changes and the next steps that we need to take.

The PC needs to make the "small changes" and resubmit the changes to the Select board.

John will review the shore land section, will make adjustments according to the suggestions of the Select Board and will send his changes to the PC members for review.
