

**Town of Calais Cemetery Commission - Special Meeting Minutes**

**11/06/2022**

**10:00am Calais Town Hall**

**Commission Members Present:** Juanita Nunn (Chair); Laura Dailey; Shari Fitch; Michael Fullerton

**Not in Attendance:** Randy Koch;

**Members of the Public:** Steve Chase

Juanita called the meeting to order at 10:22am.

**Public Comment:** Steve came to ask some general questions about Robinson cemetery and green burials, and the possibility of a “co-housing” type group. Juanita advised him that this meeting was for a special vote to approve the work starting at Robinson on the fence only, but that she would be happy to talk after the meeting.

**Robinson Cemetery Fence Replacement:** The board reviewed the information provided by Joe about the cost to replace the fence, the vote from town meeting approving \$10,000 for this fence, and that Joe had spoken to David Schultz about the plan. The back fence will be replaced with pressure treated wood and left to age a year before being painted white to be historically accurate, as per the Development Advisory Boards request.

Laura made a motion to approve spending the \$9,649.00 from the monies set aside at the town meeting, so that Joe can begin work on it in November 2022. Shari seconded the motion. Motion approved.

Shari made a motion to adjourn. Motion approved. The meeting adjourned at 10:32am.
